TOWER TIDINGS OCTOBER 2024

Dear Friends,

Our new program year is coming at us as quickly as it seems the leaves on the trees are changing from greens into their fall palettes of yellow, brown, and red . . . and some of them are falling just as fast!

The pages of this October newsletter offer a panoply of service, fellowship, educational, and participatory activities. The mission/ministry opportunities include writing Christmas cards for inmates in our jail, preparing frozen soups to enhance our Meals for All ministry, working for our annual Women's Fellowship Rummage Sale, hosting members of our community during Fall Festival, and donating to the relief efforts of our Presbyterian Montreat Conference Center in North Carolina

This month's fellowship possibilities come in the forms of a Mixed Company meal, First Friends gatherings, Friday Fellowship, hiking with God's Trailblazers, and a Tailgate Potluck at the end of the month.

Intellectual and educational offerings are found in our Sunday morning classes for all ages, the weekly book group, a workshop at Westminster entitled "Humanizing Migration, and the chance to hear political candidates address Agriculture, Energy, and the Environment at the Wayne County Library under the sponsorship of the Citizens' Climate Lobby.

And last but certainly not least, October brings the launch of our 2025 Stewardship Pledge Campaign, an opportunity for all of us to make financial commitments to the ongoing ministry and mission of First Presbyterian in the coming year.

With such a rousing start to this program year, I hope you will find many ways in which to engage with one another in the work, play, and worship of our congregation.

Blessings and Peace,

David

P.S. I have been personally extremely distressed and even angered by the vicious, damaging attacks on our Haitian brothers and sisters in Springfield, Ohio. On the following page, I have included an article from the September newsletter of the La Gonave Haiti Partners that speaks to the terrible injustice we have witnessed.

Decades ago, my father started the work of the Presbyterian Church in Haiti in partnership with the Episcopal Church of Haiti. In time, he took particular interest in La Gonave, a deeply impoverished island which sits off the coast across from Port-au-Prince. I traveled there with him on several occasions, and following his death was able to attend the dedication of a medical clinic bearing his name.

Respect and Dignity

Monthly Newsletter September 2024

Our purpose at LGHP is to support the people of La Gonave, Haiti. Today, we want to highlight an escalating and frightening situation for Haitian migrants in Springfield, Ohio. We stand in solidarity with our brothers and sisters as harassment towards Haitian migrants increases in the wake of false claims targeting them.

After more than 30 years as partners with our friends in Haiti, spending time together has taught us what we have in common and how we can learn from one another. Under the TPS program, or Temporary Protected Status, Haitians legally seek refuge in the U.S. to escape crippling financial circumstances and danger at home. Many migrants were granted TPS after the 2010 earthquake. Some of La Gonave's best and brightest have been drawn out of the country through TPS, leaving a gap in expert school teachers, healthcare workers, and other professions. The person working in a factory or warehouse in the U.S. may have been a business owner or nurse in Haiti.

The Haitian diaspora in the U.S. share their stories and the hardships they are facing. The news about misrepresentation and lies projected onto Haitian migrants in the U.S. has created shock waves in Haiti as well. Those who left their home country to work incredibly hard in search of a better life find racism and intolerance on the other side.

As followers of Jesus, we see the attributes Haitians share with Christ— injustice, sorrow, enduring hope, radical forgiveness and long-suffering. We correct our well-intentioned friends who ask if voodoo is a possibility as they search for a simple “good” explanation, a hope that this is all just an unintentional misunderstanding. We reply that it's unfortunately a very intentional ugliness, a strategy to frame an “outsider” as deserving of scorn, fear and casting-out. It's not about the pets, it was never about the pets.

We are dedicated to supporting the Haitian community, both at home and abroad. It is our hope that one day, through partnerships like ours, Haitians will create a country they do not need to flee. In the meantime, let us use this time to be advocates for Haiti and serve as examples of **compassion and respect**.

This highlight for Tower Tidings is written to update the congregation on the work of the Session in September 2024.

During the Session meeting on September 26, 2024, Elders heard updates from the RDM team about the finances of the church and the upcoming Stewardship campaign. Amy Baxstrom reported that Confirmation class is going well, the ARISE Worship experience is off to a strong start (8:45am on Sundays in the Chapel), and the Fall Festival Trunk or Treat is scheduled for October 6, 4-6 p.m. in the church parking lot. Amy is still waiting to hear if she has passed the exam process for her Christian Educator certification. Faith and Nurture team reported on upcoming events including First Friends, a Chili Cookoff and the potential for a Fall Euchre Tournament. Look for announcements for all of these fun activities. Faith and Practice Ministry team announced the date for the Alternative Gift Market: December 15, after the 10:30 service, in Bruch Hall.

Members of Session engaged in discussion about welcoming new members to the congregation at First Presbyterian Church, Wooster. As we look to the future, our church family will be facing change in many ways. The Presbyterian policy is that voices are heard and votes are counted as churches evolve. Church membership is a commitment between individuals, this church family and God to care for each other now and as we plan for the future. The votes counted come from those individuals who have made that commitment to join the membership of the Church. FPC Wooster is constantly energized, enriched, and supported by the gifts and talents of many people who worship and serve in many ministry outreach opportunities. It is so important that the voices of everyone be heard as we go forward. To that end, Session members have committed to reach out to anyone who would like to join the membership of FPC Wooster by being available to answer questions, share information and offer support. Anyone is welcome to become a church member at any time. Please be looking for announcements of short gatherings when information and questions about membership can be discussed. If you would like to become a member of FPC Wooster, please reach out the church office or contact any of the Session members listed above. This is an exciting time in the life of our church family!

Members of Session will continue to meet on the 4th Wednesday of each month at 7:00 p.m. Please reach out to any of the Elders listed above with any questions or concerns. Positive feedback is also welcomed as this team is working diligently to listen, discern and communicate successfully. Minutes from each Session meeting are located in a notebook in the Gathering Area. If you have any questions or concerns to be shared with the Clerk of Session, please use this email address:

sessionclerk@firstpreswooster.org

Greetings from the Resource Development Ministry!

The 2024 financial year appears to be shaping up as planned. Congregational giving is steady and coming in ahead of budget. Thank you to all that are keeping up with your monthly pledging. As you know, the steady income helps our ministry teams plan and maintain our programming and mission work throughout the year.

The RDM is preparing for the upcoming 2025 Stewardship Campaign. Our campaign is planned to kick-off on Sunday, October 13 with a series of "Minute for Mission" talks each week until Pledge Sunday on November 10. Pledge Cards will be mailed to all congregants within the next few days and will also be available in the gathering area and pews throughout the campaign.

This month we added a new member to RDM, Steve Logiudice. We are looking forward to having Steve on the ministry team and gaining from his insight. In addition to Steve, please feel free to direct questions regarding the church finances to any of the members of the RDM. We pride ourselves on transparency!

Peace and blessings,

Tom Rumbaugh, Chair

David Rice, Pastor; Dana Brooks, Treasurer; Laura Neill; Mark Gordon; Jeff Perkins; Stuart Miller; and Steve Logiudice

First Presbyterian Church Exterior Maintenance

The current First Presbyterian Church was built in 1927. According to Dr. Mark A. Wilson from the College of Wooster, our church has a limestone façade. He describes it further “Indeed, the stone used in the main church building is a beautiful limestone. This particular variety is called (Indiana Limestone) informally and likely is from the Salem Formation in Indiana. It is made almost entirely of tiny calcareous fossils and shows interesting ripples and dunes. Its age is Lower Carboniferous, which is about 350 million years old. Andrews Library and parts of Kauke Hall on the College of Wooster campus used this same stone.

Our job as Session, RDM, and congregation members of First Presbyterian is to preserve this magnificent structure. Part of that process is to periodically pressure wash the limestone and to tuck point where cement has failed. We contacted Tim Lockard at the college to look for advice as to how we should proceed. He suggests “a good soap and water solution with a low pressure setting and no acid based cleaners.”

The tuck pointing should be done by a professional cement/concrete mason. We are contacting Presbytery and other churches who have done the same pressure washing and/or tuck pointing for advice and possible prices. We also have the name of several restoration companies who do this type of work.

In the past, the cost of the limestone maintenance has been around \$100,000.00. We use the church building for so many church mission projects. Therefore it is important to protect and maintain the structure. RDM and Session will be looking for ways to enable the financial commitment this maintenance will cost. We hope the congregation can get on board as their financial situation permits. This is not an every year cost, but is a periodic constant expense.

Stuart Miller, RDM member

Please plan to attend!

Our Senior high Sunday school class will be starting the year with some introductions; how and why we are Christians and what does it mean to be a follower of Christ. Then, we will move on to the timely topic of Politics. The curriculum, titled *Faith Questions*, is based on questions posed by older youth from around the PC(USA). Each session will look to scripture and our faith traditions in relevant and responsible ways. We thank our teaching group, Tom and Jane Buch, Jill Kelly, and Brian and Becky Webb. This class will meet in the Youth Center at 9:15 each week.

Our Junior high Sunday school class will meet weekly for our bi-annual Confirmation class. Using the curriculum titled *Professing Our Faith* students will understand their baptism, their faith commitment, and their place in church. Through study, acts of service and other engagements they will commit to one another and themselves. This class will meet weekly in Classroom 3 (across from the Youth Center) weekly at 9:15. We thank our teachers Amy Baxstrom and Kristi Hiner.

This year, we will hold Confirmation for any youth in 7th or 8th grade. During that process, we hope to connect our youth with other friends in our church. We are looking for people to become Fellowship Friends and spend some time getting to know a youth in our church. The gatherings will be held at the church during the Sunday school hour. Maybe a morning of games, breakfast, or other activities. If you would be interested in this, please let Amy Baxstrom know.

Damage Sustained During Hurricane Helene at Montreat Conference Center

On Friday, September 27, Lake Susan and Flat Creek swelled to historic levels following heavy rainfall brought on by Hurricane Helene. High water levels caused catastrophic flooding throughout the town of Montreat. In addition, high winds brought down trees and power lines, contributing to widespread outages of power and water. At this time, communication is limited due to regional phone outages. We can, however, report that everyone onsite is safe, and that conference center buildings and structures, including the Lake Susan Dam, remain intact.

As more information is available, we will deliver updates through montreat.org and through social media.

Montreat Camp and Conference Center has been a spiritual and engaging place for many generations of youth and adults at FPC. Please consider making a donations for the recovery efforts. Thanks, Amy Baxstrom

CHRISTMAS CARDS FOR JAIL INMATES

Faith and Practice is honored to be continuing Don Beane's project of collecting Christmas cards to give to inmates at the Wayne County Jail for them to send to family and friends. These can be a few cards you have left from last year or a new box you might want to purchase. Faith and Practice will give the cards, including a stamp for each one, to the Chaplain at the jail to distribute to inmates.

The Chaplain asks that cards:

- *Be new with no writing on them
- *Include an envelope that fits the card

You may leave your card donations in the designated box in the gathering area. Thank you!

FROZEN SOUP PROJECT

Each month Karen James and her team provide a delicious, well-balanced meal for community members who may be enduring food insecurity. Members of Faith and Practice realized that providing a container of hearty, frozen soup would provide a meal for guests to take with them for the next day.

With the large freezer that was previously in the lower level kitchen now in place in the main level kitchen, there is room to store soup for Meals for All guests. In addition, a container of soup will be available if someone comes to the church requesting food or if a church member is in need of a meal now and then. Keep your eyes and ears open for news of the opportunity to participate in this worthy project.

Mixed Company will meet Friday, October 4th at 5:30 PM at Broken Rocks Cafe in downtown Wooster. We will be in the back room. Please let Kathy Turning know by October 1st if you will be joining us. Her telephone number is 330-347-6620.

Greetings from Faith and Nurture – Fall may be upon us, so it’s time to sign up for First Friends! For those of you not familiar, this is a dinner group of 6 – 8 persons, meeting roughly once a month, for the next 3 months (or as long as a group wishes to meet!).

No ‘rules’ here! Dinners can be anywhere the group chooses – each others’ homes or restaurants. Also, in the past, some groups have chosen to invite others not currently active in our church community.

Finally, some with busy schedules have signed up as substitutes, able to attend occasionally. Keeping the same group together for a few months, allows us to get to know each other better.

**There is a sign up sheet hanging in the Gathering area,

Looking forward to seeing you soon!

The Rummage Sale is an *all-hands-on-deck* project which earns funds for FPC Women's Fellowship. The proceeds are used to support FPC youth programming and scholarships, community outreach, mission, kitchen maintenance, and building improvements.

This is a great way to get involved, get to know others in the congregation, and fellowship with old friends. Please consider volunteering for this worthy project. Able bodied helpers are especially needed Wednesday afternoon, Thursday morning, and late Saturday afternoon for clean-up. Many hands make light work.

The Rummage Sale is an opportunity for the entire congregation to have those unwanted items in your home moved along. Before recycling, consider reducing and reusing. Your *no-longer-wanted* items will be treasures to others. Feel free to ask friends, family members, and *anyone* to contribute stuff.

You can price your own stuff – if you want! Other than items with standard prices (most clothes and books), you are welcome to mark suggested prices on your miscellaneous items, or we'll take care it.

- Starting Sunday, Oct. 27, feel free to drop off sale items in the gathering area near the hallway to the parlor. Weekdays the church is open 6:30 am-6 pm.
- Tue., Oct. 29 from 3-5 pm – set-up racks and tables in Bruch Hall.
- Tue., Oct. 29 from 6-7:30 pm – move items from 2nd-floor storage to Bruch Hall.
- Wed., Oct. 30, 9 am-noon - arrange sale items on hanging racks and tables.
- Thu., Oct. 31, 9 am-noon – help price items.
- Fri., Nov. 1, 9 am-noon – we'll finish up what needs to be done to take a day off!
- Sat., Nov. 2 - The sale will run from 9 am to 4 pm. Help will also be needed from 4-6 pm to place remaining items in Goodwill bins, tear down racks and tables, and cleanup.

Your participation in as many ways as possible will be greatly appreciated. Feel free to contact myself (Carla Hall; cell 614-761-3906, carlahall2000@gmail.com) or Shannon Foster (cell 330-439-8376, birdgarden@ssnet.com) if you have any questions.

Please take some labels home to use when you bring your items to the church just prior to the sale. By labeling the contents, we can more easily organize things when we move everything into Bruch Hall. Identify as clothing women/men/kids, household items, Christmas or other decorations, kitchenware, etc. Thank you!!!
